## **Introduction**

This booklet provides a list of Health Choice Generations HMO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Health Choice Generations HMO's formulary. If you have additional questions, please call our Member Services at 1-800-656-8991, 7 days a week, 8am to 8pm. TTY/TDD Users should call 1-800-367-8939. Or, visit [www.hcgenerations.com](http://www.hcgenerations.com).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Health Choice Generations. In most cases, your prescriptions are covered under Health Choice Generations only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

## Chain Pharmacies

In lieu of providing addresses for all locations, Health Choice Generations HMO has provided the toll-free service numbers and TTY/TDD numbers that an enrollee can call to get the locations and phone numbers of the chain pharmacies nearest their home.
